Classroom Highlights

On Wednesday our class attended the Black History Assembly and got to watch our very own Samara and Gregory perform a poem on stage! We were so proud of our friends and the hard work they put into helping make a fantastic assembly. Way to go!

Notes from the Teacher:

- Thank you to those who have already sent in paper towel rolls. We do not yet have one for each student, so please continue to send them in until you hear otherwise from me. Ask your child about the number scrolls they're working on! ☺
- All of the Kindergarten teachers appreciate your cooperation and support with the name cards at porch dismissal. We hope this will continue to make dismissal run as smooth as possible, and most importantly – keep your children safe.
