Classroom Highlights

We finished our study of apples by making our own applesauce! Each student helped measure the ingredients, pour them into the pot, and help mash the apples as they cooked. Our room smelled so wonderful all day long (I have such good chefs in my room!) We can't wait to eat it on Monday when it has finally cooled down! ☺

Notes from the Teacher:

Picture Day is Friday, October 9th! If you would like to order pictures, please turn the forms in to me as soon as possible. Kindergarten will take our pictures early that morning, so please make sure your child gets to school on time that day (and everyday!)

Look for permission slips for our upcoming field trip in Monday's blue folders!
